The screenshot displays the kolab.app mobile application interface. At the top, there's a header bar with three dots on the left and the text "kolab.app". Below this is a banner featuring a woman smiling with the text "Doutez de tout, sauf de vous. Créez maintenant." and "On s'assure du reste.". To the left of the banner, there's a small caption: "Jean Dawson - Starface" and "Réalisé par Megaforce". The main content area is divided into several sections:

- Top Left:** A large card for "Hello ! Maxime" dated "Jeudi 15 Novembre" at "13:07". It shows a sunset over mountains and includes a "Montage Instagram" task assigned to "Coralie Joe" from "Gucci Campaign 2022".
- Top Right:** Two smaller cards for "Montage" tasks: one for "Instagram" and one for "Gucci Campaign 2022", both assigned to "Coralie Joe".
- Middle Left:** A "Tâches à venir" (Tasks to come) section for November 2022, showing tasks for "Demain", "Mercredi 14", "Jeudi 15", and "Vendredi 16".
- Middle Right:** A "Rendez-vous" (Meetings) section for "Aujourd'hui" and "Demain", listing a meeting with "Idriss" at "10:30" for a "documentaire Netflix".
